Gallaudet University established the Academic Bowl for Deaf and Hard of Hearing High School Students in 1997, with the goal of promoting academic competition among school teams. Quiz tournaments, in which teams of high school students compete against each other in local, regional, and national events, have gained wide opportunity among high schools and colleges throughout the country.

At each regional Academic Bowl, teams compete against each other in answering questions on a wide variety of subjects. The first and second place winners from each of the five regions complete in the National Academic Bowl in late April. For more information, please visit ab.gallaudet.edu
